About the Women of Hope / Qui sont les Femmes d'Espoir

Femmes d'Espoir est une organisation à but non lucratif fondée À l'automne 2007 par un groupe de huit femmes dont leur principale préoccupation est celle d'être proactives dans la recherche d'une cure pour le cancer. Cette maladie a personnellement affecté chacune de ces femmes - soit un être aimé ou un ami proche a combattu avec le cancer ou est malheureusement décédé de la maladie. Quelques femmes de notre groupe fondateur sont en fait des survivantes.

Afin d'éradiquer cette terrible maladie, notre mission de Femmes d'Espoir est celle d'amasser des fonds pour poursuivre la recherche sur le cancer pour qu'un jour il y ait une cure.

Sur une base annuelle, durant la deuxième semaine de février (aux alentours de la Saint-Valentin), les Femmes d'Espoir organisent un évènement de levée de fonds intitulé "Gala Cercle d'Espoir" dont les recettes sont versées à la Société Canadienne du Cancer.

Women of Hope is a non-profit organization founded in the fall of 2007 by a group of eight women whose primary concern is to be pro-active in finding a cure for cancer. This disease has personally affected each of these ladies - either a loved one or close friend has battled cancer or unfortunately died from this illness. A couple of the ladies in the founding group are actually cancer survivors.

In an effort to eradicate this terrible ailment, the mission for Women of Hope is to raise funds for further cancer research so that one day, there will actually be a cure. On an annual basis, during the second Saturday in February (around Valentine's Day), Women of Hope will embark in organizing a fundraising event called "Gala Circle of Hope" where proceeds will be donated to the Canadian Cancer Society.
